WELCOME TO MELROSE

THE HEART OF THE RED MILE

Since opening our doors on October 1, 1991, Melrose has been the go-to spot for good times in Calgary. We quickly earned the nickname “Heart of the Red Mile” during the Calgary Flames’ 2004 Stanley Cup run, where fans packed our venue to cheer on their hockey heroes.

Now, with over 30 years of experience, we’ve relocated to a freshly renovated space inside Cowboys Casino, continuing our tradition of serving up award-winning pizzas and supporting local craft distillers and breweries.

PROUD PURVEYOR OF ICONIC MEMORIES

ESTABLISHED IN 1991

Our dynamic venue is perfect for corporate events, offering versatile private dining spaces and a vibrant atmosphere. Whether you're planning an office party, networking event, or special celebration, Melrose provides exceptional food crafted by our well-seasoned Chef Jacob, ensuring a memorable experience for your team.

Plus, with the added excitement of Cowboys Casino in the same building, your guests can continue the festivities, making your event truly unforgettable.

LOCATION + PARKING

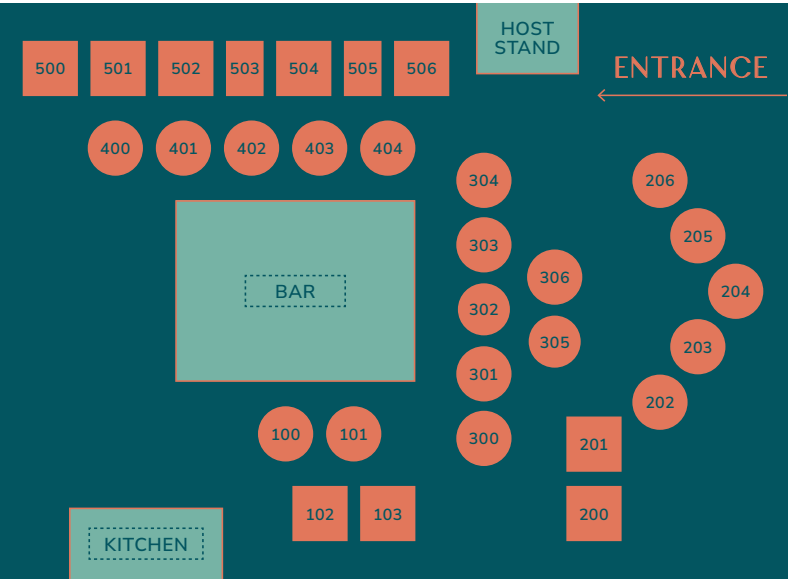

Nestled within Cowboys Casino at 421 12 Ave SE, Calgary, AB, T2G 1A5, Melrose offers guests the convenience of complimentary heated underground parking, with the entrance located on the west side of the building, accessible via the internal road.

Our prime location on the Stampede Grounds is just a 4-minute walk to Stampede Park and a mere 8-minute walk to the Grandstand. We also provide easy access to downtown Calgary, the Victoria Park C-Train station, BMO Centre, and the Scotiabank Saddledome, making Melrose the perfect starting point for your Calgary adventures.

Located inside Cowboys Casino

The background is composed of several large, overlapping organic shapes. On the left, there's a light teal circle partially cut off by the edge. Below it, a darker teal shape with a scalloped bottom edge. To the right, a large maroon shape dominates the center. In the top right, a dark blue shape is visible. At the bottom right, an orange shape is partially shown. The overall aesthetic is modern and minimalist.
